<sup>1</sup> I never had any problems receiving copies because his assistant Blake emailed me the documents usually the day they were filed or the next day and I also usually received copies in the mail of the same papers. This does not happen anymore. I receive nothing except orders from the court mailed by the clerk.

CERTIFICATE OF SERVICE

I certify that on October 28, 2025 I mailed the forgoing notice of appeal to the clerk of court that will efile the paper and give notice to all parties that have appeared in the case.
